There's a sound breaking out
Like the sound of many waters
And it's breaking through the darkness
It's the Lion in our midst

There's a roar breaking out
Filled with glory and with power
Can you hear it getting louder!
It's the Lion in our midst

The Lion of Judah, He's conquered everything
The Lion of Judah, He's washed away every sin

Calling every tribe and tongue
The King of kings and Lord of Lords
Is the lion in our midst

To the One upon the throne
The One who's worthy of it all
He's the Lion in our midst
