

ALL THINGS

Written by Hannah John, Christine Ann John
Key: F# | BPM: 74 | Time: 4/4

VERSE 1

When I'm surrounded by the darkest night
And the dawn seems far away
The echoes of my fear say I won't make it
through the day
Still You're God in every season
The hope that never fails
I know You're working for my good

VERSE 2

You were with me on the mountain top
And in deepest valleys too
And in everything that lay between
Your faithfulness proved true
As I stand before the great unknown
I won't fear what lies ahead
I know You're working for my good

CHORUS

All things work together
For the good of those who love You
All things work together
For the good of those who love You

VERSE 3

Now I'm stepping out in freedom
To follow after You
I'm not afraid to walk on water
'Cause I know You'll walk me through
In this journey that I'm taking
I will fix my eyes on You
I know You're working for my good

BRIDGE

No height no depth
Nor life nor death
Nor angels or demons
Or present or future
No power of hell
Or in all of creation
Can separate us
From Your love
From Your love
