## Verse 1

How awesome are Your works over all the earth  
Through the greatness of Your power  
Your enemies will bow  
The mountains quake and tremble at Your word  
Heaven and earth rejoice as Your praises resound

## Chorus

Come and make a joyful shout to God over all the earth  
Sing out honour to His Name  
Lift your voice and worship Him and make His praises heard  
For His name is glorious

## Verse 2

How awesome are Your works to Your people God  
You open up a way  
We see the waters part  
You rule the nations with Your mighty hand  
Our life is in You Lord and we will not be moved

## Bridge

I will come into Your courts  
With a sacrifice of praise  
I will call upon Your Name  
You have always heard my prayer
