Verse 1

Created in His image
In His likeness
That's who you are
Reflections of His glory
Of His nature
That's who you are

He said if you believe
You will do the things He did
If you believe in Him

Chorus 1

You will do greater
You will do greater
You will do greater
Greater works
Greater works
You will do greater
You will do greater
You will do greater
Greater works
Greater works
In His Name

Verse 2

The Spirit is upon us
He anoints us with His power
To do wonders
The impossible is made possible in us

Bridge

No eye has seen
No ear has heard
No mind can know
What God has in store
The sick are healed
The darkness flees
The captives freed
The Kingdom is here

Pre-Chorus 2

He said if we believe
We will do the things He did
If we believe in Him

Chorus 2

We will do greater
We will do greater
We will do greater
Greater works
Greater works
We will do greater
We will do greater
We will do greater
Greater works
Greater works
In His Name
